TERMS

SCOPE: This Plan does not extend a vehicle manufacturer's warranty and will take effect after the OEM warranty expires. However, BG Products, Inc., will pay your deductible amount under any extended service contract purchased by you. It is subject to the terms and conditions contained herein. Only Plan 2 takes effect 1,000 miles (1,600 km) after the first BG Service(s) has been performed by a professional technician. A grace period of 500 miles (800 km) will be extended in order to stay within service interval compliance, including initial service of Plan 2 only.

COVERED: Payment of claims under this Plan is limited to the labor time necessary to make repairs or to replace any irreparably damaged parts as allocated by ProDemand® or other industry accepted flat rate guide, multiplied by the commercial repair shop's hourly labor rate, plus the reasonable cost of replaced parts of like kind and quality at the administrator's discretion.

CONDITIONS AND EXCLUSIONS: If the vehicle odometer has been changed or altered, or if the odometer has ceased to function, coverage under the terms of this Plan is not in effect. This Plan covers only legally registered passenger cars, vans, SUVs, and pick-up trucks with a GVW of 14,000 pounds (6,300 kg) or less. Motorcycles, RVs, and vehicles with more than two axles are excluded. Vehicles used for competitive purposes are excluded. Vehicle repairs included in a NHTSA or manufacturer-issued recall will not be covered by this Plan. This Plan excludes in-house maintenance/repair facilities. In the case of a leased vehicle, the lessee must be primarily obligated for repairs and maintenance. If the covered vehicle is used for towing a trailer or other vehicle or object, this Plan is not in effect unless the covered vehicle is equipped with factory-installed tow package. Any claim resulting from collision, fire, theft, vandalism, contamination of fluids, acts of God, misuse, abuse, negligence, damage caused by operation

during component failure, aftermarket modification which affects the component specified in the claim, or lack of normal maintenance required by vehicle manufacturer renders this Plan null and void. Pre-existing conditions and damage to system components prior to the service are excluded and may be verified through independent parts analysis at the discretion of BG Products, Inc. Also excluded are "Washed," "Branded," Salvage or Junk titled vehicles and services performed as a demonstration or as complimentary services. Failure to furnish all necessary records will render this Plan null and void. This is a retail service customer retention program.

- All service repair orders indicating compliance with terms and conditions of this Plan, including BG part numbers, retail prices and labor charges.

If the repair in question has not been fully diagnosed and/or torn down, the Repair Facility must get the customer's authorization to do so and email or fax CCM when a complete diagnosis is available. (Charges for diagnostic procedures and teardown costs are not covered unless they are an integral part of the repair.)

All claims will be closed out within 30 days from initial filing date (paid or unpaid).

One payable claim per service interval, per system, is permitted.

This Plan is transferable if vehicle ownership changes. BG Products, Inc., is not responsible for incidental or consequential damages.
